“ So sorry for your loss. Lee was so much a part of my early years. Riding the Cushman scooter, and in Lee's car, we had great times and fun! Just found out this morning, and am so sadden to hear this, may he find the peace he so deserves.

“ We will always treasure the times we spent with Lee and Barb. Over the course of our 47 plus years of friendship we had many wonderful times together from playing cards to taking road trips, sightseeing in the Black Hills, visiting Graceland in Memphis, enjoying the sights in Arizona and sharing life's stories. We will miss you dear friend but we plan to continue our friendship with Barb and share some of the memories we all made together. Thanks Lee for all those memories...Jeff and Pat

“ Lee was a great guy! Gary and I went to prom with them when Barb and I were Seniors! He always had a smile on his face and ready to laugh or tease us about our love of country music. One time we were talking about Sonny James, a country singer, and he'd never heard of him even though he was well known then. We all just laughed. RIP Lee, you're in a better place and not in pain anymore. We'll miss you friend.

“ Enjoyed your company with Barb at the antique shop. My wife and I were the third owners of the log home you built on Lake Tainter. That house was a dream come true for us in more than one respect. As dreams come true other dreams are created that we follow. Peace be with you.
