“ Dear Siler Family,  
Our sympathy to your family at this time! She was MUCH too young! Alzheimer's is a terrible disease so I am sad you all were affected by that. Wonderful memories we have of great neighbors in Glenwood City! Lots of love, The Allen Limberg Family (via Nancy)

“ My mom, 'Midge' Larrabee, and I send our thoughts, love and prayers to you during this sad and lonely time. When I am at The Neighbors visiting my mom, I will stop and see Hazel to give her my personal love and support, and maybe some day I'll hit it when Albert is there. God bless you all and gently wrap you in His tender arms.

“ Lois Siler and my mother Zita shared the same exceptional caregivers at Comforts of Home - Memory Care in Menomonie WI. When I visited my mother I always made it a point to talk with Lois before I left for the morning or the evening. Some of our conversations were brief but we always had one. Lois looked so pretty in her pink outfits. We talked about cars . . . her pink jeep, and I asked her one time if I should get a 1966 Mustang or a 1966 Corvette, she answered quickly "Mustang". It's been a pleasure to know her and her family and we will be friends forever.

“ Lois always welcomed us into her home growing up with a smile and a hug. Always knowing we'd be waiting "a while" for Fay to get ready! She was the fun outgoing mom, always up for camping, snowmobiling or tubing the Namekagon. My sympathies go out to her family as she will surely be missed by all.

“ Lois and I met at St. Paul's Lutheran many years ago at Sunday School. Then we were in the same class at Menomonie High School. She was a wonderful young girl and I'm sure she remained that girl all of her life. My sympathies with her family!!
