“ I went to college with Steve, and I am deeply saddened by this news and so sorry for your loss. Steve was always a kind hearted person, thoughtful, made every get together fun and unique. Was a good listener and was extremely genuine, we had lunch a few years back and that had not changed at all. The world lost a great person, so so sorry for your loss.

“ It's hard to believe that any family would have to deal with that much grief in less than a year, My thoughts and prayers are with both Ruth and Tiana and Steve's daughters. Steve was a fine man and I pray he "rests in peace". Joel

“ Steve was in my older brothers class. I remember to this day when we were kids at Cheesy Pizza Factory after football games with our families and him being so kind to me despite me being the “annoying little sister”. He had the biggest heart. I’m so very sorry for your loss. Keeping you all in my prayers.
